March 6, 2021

To: The Woodcrest Public School Community,

The Thunder Bay District Health Unit (TBDHU) and Lakehead Public Schools would like to inform you that the outbreak at Woodcrest Public School is considered over. The school is no longer considered to be at increased risk related to COVID-19 stemming from the recent cases.

No additional cases of COVID-19 have been identified and we have no evidence that additional spread of the virus occurred in the school setting. While this is reassuring, ongoing vigilance following public health recommendations upon return to school should be followed.

Thank you all for your cooperation in this process. For further information about COVID-19 and schools, please refer to the TBDHU website: [TBDHU.com/stopgerms](https://www.tbdhu.com/stopgerms) and [TBDHU.com/safereturn_parents](https://www.tbdhu.com/safereturn_parents).

Sincerely,

Dr. Janet DeMille, CCFP, FRCPC
