

# CONSTRUCTION

**Hammar skjold HS**

*dream, design, build!*

Welcome to the Construction Specialist High Skills Major where students customize their secondary education to suit their interests and talents while meeting graduation requirements.

## Careers in Construction

SHSM study prepares students to enter into careers in all pathways (work, apprenticeship, college, and university). The construction industry includes a wide range of high demand and flexible career options.

- |                     |                |                      |
|---------------------|----------------|----------------------|
| Architect           | Carpenter      | Construction Manager |
| Electrician         | Home Renovator | Plumber              |
| Structural Engineer | Home Inspector |                      |

Ask your Guidance Counsellor about more.

## Achieve

**10 of your 30 OSSD credits** | **7 sector-recognized certifications and training**

**BUILD**

## SHSM Requirements

SHSM study provides senior (Grade 11 and 12) students with the opportunity to focus their high school education based on individual interests and aptitude. **Major sector-specific credits, cooperative education in the sector, English, Mathematics, and, in most cases, additional credits in specified subjects complete the graduation requirement of 30 credits.** See the SHSM Tracker for more detailed information.

**Certifications and Training** are an important part of the SHSM. Sector-specific certifications and training are provided free of charge to ensure students are prepared.

**Hands-on (experiential) learning activities, reach-ahead opportunities (post secondary goals) and the completion of one of ICE (Innovation, Creativity, and Entrepreneurship), Mathematical Literacy or Coding complete the SHSM requirements.** Students who complete the program will have an SHSM seal of distinction on their graduation diploma.
