Invitation to attend Facility Partnership Meeting

Lakehead District School Board recognizes that cooperative and collaborative relationships between school boards and community organizations are part of the foundation of a strong, vibrant and sustainable publicly-funded education system. Offering space in schools to partners can strengthen the role of schools in communities, provide a place for programs, and facilitate the coordination of, and improve access to, services for students and the wider community.

In accordance with Lakehead District School Board Facility Partnership Policy and Procedures 9015, administration will hold a yearly public meeting to discuss potential facility partnerships and to receive information on the needs of the communities within the Board. Current and potential community partners are invited to attend a Facility Partnership meeting at 1:30 p.m. on Tuesday, January 15, 2019 in the Board Room at the Jim McCuaig Education Centre, 2125 Sills Street, Thunder Bay, ON. Please confirm your attendance by Thursday, January 10, 2019 to Heather Harris at 625-5138 or heather_harris@lakeheadscool.ca.
