1. Policy

It is the policy of Lakehead District School Board to provide education for all students with special needs as defined by the Ontario Education Act and Regulations.

2. Special Education Plan

2.1 Specific information regarding programs and procedures for students with special needs are described in the Lakehead District School Board Special Education Plan available on the Board Web Site: www.lakeheadschoools.ca > “Special Ed Plan”.

2.2 As required under the Ontario Education Act, the Special Education Plan of Lakehead District School Board shall be reviewed annually in accordance with Ministry of Education guidelines and under the direction of the superintendent of education responsible for Special Education.

3. Board Responsibilities

Lakehead District School Board shall:

3.1 Ensure that parents/guardians of each student with special needs are consulted valued partners with regard to the assessment, identification, placement and review of each student. Students who have reached the age of 16 years shall also be invited to an Identification, Placement and Review Committee (IPRC). Through parental/guardian consultation, students below the age of 16 years may be invited.

3.2 Prepare, adopt, implement and review an Individual Education Plan (IEP) in accordance with current Ministry of Education regulations to define and create programs and services for students with special needs.

4. Definitions

4.1 Students with Special Needs

For the purpose of this policy and procedures, “student with special needs” refers to a student who has been identified as exceptional through the Identification Placement and Review Committee process, a student with Individual Education Plans and any other student who requires special education services.

4.2 Exceptional Students

Refers to those students whose behavioural, communication, intellectual, physical or multiple exceptionalities are such that the student meets the definition of exceptional.

4.3 Special Education Program

A program for students with special needs that may include accommodations or modifications determined by the results of continuous assessment and evaluation. It includes a plan containing specific education objectives, support services and equipment to meet the needs of the student.

4.4 Support Staff

Includes specialized teachers and other professionals as detailed in the Board's Special Education Plan who will assist in identifying student needs, placement decisions, planning special education programs and the review process, as well as providing direct service to students, and ongoing communication with teachers and parents/guardians.

4.5 Individual Education Plan (IEP)

An IEP for students sets out the educational goals, expectations, special education programs, services and assessment methods.

4.6 Identification, Placement and Review Committee (IPRC)

A committee that identifies students as exceptional and determines suitable placement. The committee consists of a minimum of three voting members. One member must be of the following; a principal/designate employed by the Board, a supervisory officer/designate employed by the Board, or a supervisory officer employed by another Board and whose services are provided by a Minister of Education-approved agreement with another Board. The two other members are school and/or Board staff.

The IPRC is responsible for meeting each year to review the student's progress and education plan.

5. Programming for Students with Special Needs

5.1 Ministry of Education curriculum and policy documents provide the basis for programs for students with special needs.

5.2 Special education services including support staff, resources, equipment, materials and appropriate programming, shall be provided based on the financial resources of Lakehead District School Board.
