

Winter@LPS

The potential for weather related winter school closures and cancellations is a reality here in Northwestern Ontario.

In preparation for winter, all Parents/Guardians need to be aware of Transportation Emergency Weather Procedures followed by all Lakehead Public Schools.

Every effort will be made to ensure that all families can access timely information on school closures and cancellations.

Inclement Weather School Cancellations & Closures Radio

Throughout the winter months, Parents/Guardians are encouraged to monitor local morning radio broadcasts for weather related closures or cancellations. All efforts are made to notify the media by 7:00 a.m. in the event of a weather related closure or cancellation.

Websites

Parents/Guardians may also monitor the following websites:

Lakehead Public Schools
