

ADDENDUM #2

#RFT19-18D

Re-Keying and Key Cylinders for Exterior Doors

Issue Date: July 3, 2019

THIS ADDENDUM FORMS PART OF THE REQUEST FOR TENDER AND ANY SUBSEQUENT CONTRACT DOCUMENTS

The above RFT has been revised to incorporate the subsequent changes:

REVISIONS

A) Section 1.2 – Scope of Work (page 3 of 33) and Addendum #1

Delete words “Medeco” and “Abloy” from all locations within Request from Tender (refer to 1.2 Scope of Work) and Addendum#1. Replace with “Primus-Schlage” with appropriate grade.

This has been changed with the understanding that all bidders at mandatory site visit can supply/install this make/model. Also, that if later on a service contract vendor is changed that any of these bidders could perform that service without cylinders having to be changed out.

B) Section 1.2 Scope of Work (page 3 of 33) and Addendum #1

Add Sentence – “All cylinders shall be priced as **rim cylinders** for bidding purposes”

C) Section 6 Project Schedule Dates (page 5 of 33)

Substantial Completion (Construction Completion by) – Delete “Friday August 23, 2019” and replace with “Friday September 20, 2019”.

Total Completion (All deficiencies completed by) – Delete “Friday August 30, 2019” and replace with “Friday September 27, 2019”.

Final Project Invoicing – Delete “Friday August 30, 2019 and replace with “Friday September 27, 2019”

D) Appendix B Bid Form (pages 13 and 14 of 33) & Additional Pricing (page 14 of 33)

From Additional pricing for supply/install of additional door location - Delete words "re-keying with". Add "This is for all sites except Armstrong."

Add Additional Price for unit price required for supply/install of an additional door location at Armstrong site to have cylinder change.

*Refer to revised Appendix B – Bid Form below for this section. Inclusive of above two items within it. Include this with your bid package and all other pricing in Appendix B – Bid Form.
