A Grade 9 Credit for Grade 8 Students

Music | Guitar

We invite all aspiring musicians to join us to explore the adventure of learning to play the Guitar – after-school, two days each week from 3:40 p.m. - 5:10 p.m (September - June). All students are welcome - all levels of musical experience are encouraged to learn to play!

Tiger Music will be offered based on student enrolment. A lottery approach for the limited available seats will be utilized to ensure fairness. A wait list will be created if seats are oversubscribed.

We are very pleased to offer two full-sized music rooms and numerous practice rooms for student use.

Students who are successful in the Tiger Music after-school program will earn a Grade 9 Music credit.

What is Tiger Music?

It is a fun way to learn how to play a Guitar!

Do I need to read music?

No, that's what you'll learn!

Do I have to rent an instrument?

Yes, you will need to rent or borrow a Guitar to learn on. A few additional classroom guitars may be available for students who cannot secure their own.

Is this a high school course?

You bet! You will earn your first high school credit, which will open up more choices for you in the years to come. And, you will join Westgate's great music program by taking part in our annual Winter and Spring Concerts.

How do I sign up?

Complete the form and return it to Westgate CVI by **June 30th, 2016**.

The form may be dropped off to the main office or faxed to (807) 473-8223.

For more information during the school year, please contact
