A Grade 9 Credit for Grade 8 Students

Exploring Technologies

We invite all Grade 8 students to join us to explore the adventure of learning and improving their technology knowledge and skills – after-school, two days each week from 3:40 p.m. - 5:10 p.m (September - June). All students are welcome!

Tiger Tech will be offered based on student enrolment. A lottery approach for the limited available seats will be utilized to ensure fairness. A wait list will be created if seats are oversubscribed.

We are very pleased to offer state-of-the-art technology labs rooms for student use.

Students who are successful in the Tiger Tech after-school program will earn a Grade 9 Technology credit.

What is Tiger Tech?

It is a fun way to work on the skills critical to success in today's technological world.

Do I need to know a lot about computers and technology?

No, that's what you'll learn!

Is this a high school course?

You bet! You will earn your first high school credit, which will open up more choices for you in the years to come.

How do I sign up?

Complete the form and return it to Westgate CVI by **June 30th, 2016**.

The form may be dropped off to the main office or faxed to (807) 473-8223.

For more information during the school year, please contact

Mr. Blaine Hill
577-4251, Ext 9101
