

**connections** will have an emphasis on literacy and numeracy.

## application

For information about the program and application procedures, contact the Vice Principal at your home high school.

# connections

An independent high school credit program

Students will be working on courses from Grades 9 and 10 with the possibility of some Grade 11 courses. There will be flexibility built into the program.

Note: Your home high school is the high school for which you are zoned to attend based on your address.

designed for 16 and 17 year old young adults who find themselves out of school or in the process of leaving school.

## Who can attend?

The **connections** program has been designed for students who are 16 and 17 year old young adults who require their Grade 9 and 10 compulsory courses.

The **connections** program encourages learning skills leading to student success. Students in this program will enjoy individual attention and assistance with learning barriers.

## Where do students attend class?

**connections** classes are held at Everest College Building  
400-28 Cumberland Street, North  
2nd Floor

## The Program

There will be a variety of programming to help students reconnect and re-engage with their secondary education.

Students will have opportunities to engage in a variety of educational experiences in order to achieve credits and personal success.

**Destinations explored**  
**Goals clear**  
**Plans made**

## What comes next?

Upon leaving this program students may:

- Apply to return to home school
- Enter the world of work
- Enrol in the Lakehead Adult Education Centre
