SHSM Requirements

SHSM study provides senior (Grade 11 and 12) students with the opportunity to focus their high school education based on individual interests and aptitude. **Major sector-specific credits, cooperative education in the sector, English, Mathematics,** and, in most cases, additional credits in specified subjects complete the graduation requirement of 30 credits. See the SHSM Tracker for more detailed information.

Certifications and Training are an important part of the SHSM. Sector-specific certifications and training are provided free of charge to ensure students are prepared.

Hands-on (experiential) learning activities, reach-ahead opportunities (post secondary goals) and the completion of one of **ICE (Innovation, Creativity, and Entrepreneurship), Mathematical Literacy or Coding** complete the SHSM requirements. Students who complete the program will have an SHSM seal of distinction on their graduation diploma.
