
FRENCH IMMERSION POLICY**4040**

1. Rationale

Lakehead District School Board operates a Core Program from Grades 4 to 12 which allows students to develop communication skills in French and an understanding of the culture of French speaking societies.

A French Immersion Program goes further and allows children to become functionally bilingual. Children will be able to take further education with French as the language of instruction at the post-secondary level or accept employment using French as the working language.

An Immersion program is offered to parents who desire this alternative for their children in education.

2. The Policy

It is the policy of Lakehead District School Board to operate an Early French Immersion Program intended for children whose first language is not French and to offer programs suitable for students graduating from the Early French Immersion program and to any other students deemed capable of profiting from the continuing French Immersion programs.

3. Definitions

Early French Immersion - is a program in which a child enrolls in Senior Kindergarten and requires that all instruction in the first two years be carried on in French. English is introduced for approximately one quarter of the day through the remainder of the primary and lower junior divisions, until it reaches approximately one-half the day in Grades 6, 7 and 8 where the instruction is in English for approximately one half of the day.

Continuing French Immersion - is a term applied to the continuation of French Immersion at the secondary school level.

The Ontario Curriculum expectations apply, but the language of instruction is fully or partially in French.

4. Guidelines**Early French Immersion**

4.1 The Early French Immersion Program (Elementary) will be considered a Senior Kindergarten - Grade 8 program.

4.2 The Early French Immersion Program shall be offered subject to adequate enrolment and the availability of qualified staff, at locations designated by the Board.

- 4.5 In the dual track elementary school, French Immersion and English programs will be staffed separately.

- 4.8 The Continuing French Immersion Program will be available to graduates of an elementary French Immersion Program or to any student deemed capable.

- 4.11 The course selection will be on a limited program basis until such time as numbers warrant.
