Principal: Mr. Glenn Cunningham

Secretary: Mrs Zena Ariganello

Principal Message

Holy, Moly...that's been Cold!!!

We are looking forward to having milder weather over the month of March.

Thank you to the local community members who are looking after the outdoor rink in Murillo. The school will be using that facility again this year. It is a great experience skating out in the open on a sunny day or even a snow one.

If you know of any children born in 2018, they can attend Junior kindergarten in September 2022. It is a surprise to some parents that their little one is old enough to come and have some fun at school.

We are looking forward to having face to face school community events in the spring. Just waiting for the last of the Covid restrictions to be lifted. Hopefully soon.

As always, if you have any questions or concerns feel free to contact your child's teacher or the office.

We are here to meet your child's needs.

Mr. Cunningham

Dates to Remember

Mar 4	PA Day – No school for Students
Mar 9	Pizza Day
Mar 10	Big Crunch
Mar 14-18	March Break- No School
Mar 23	Pizza Day
Mar 25	Spirit Day
Mar 31	School Council Meeting

Kindergarten Registration

If you have or know of a child born in 2018, they are able to attend Kindergarten in September 2022.

All registrations will be on-line.

To register your child, go to [Lakehead District School Board](#) website or use the following Link.

<https://register.lakeheadschoools.ca/VIA/>

Outdoor Classroom

An outdoor classroom will be built this year on school property. This will allow classes to enjoy their education

opportunities closer to nature and discover that education occurs in many different locations not just in the regular classroom.

Thank you to the School Council and community members who assisted in the fundraising over the years to allow this to occur.

Sports and Field Trips

The Thunder Bay School Boards are working at restarting the elementary school athletic programs. Tentative schedules are starting to be developed. These programs are for grade 4-8. The sports and

activities that will be offered this year are being finalized. Super News!

Also, currently, we are able to take a bus on field trips. So, hopefully, field trips will be restarted once various locations restaff and get ready for the students to visit.

More to come as teachers look for learning opportunities in the community to enhance their programs.
