

## **MAJOR HOLY DAYS LIST AND DAYS OF SIGNIFICANCE LIST**

Lakehead District School Board (LDSB) is committed to providing a safe, equitable and respectful working and learning environment. Lakehead District School Board is diverse in many ways including the many faith groups that are represented in our community. We endeavour to provide reasonable accommodation to students or staff in schools and workplaces when LDSB's operations or requirements interfere with their ability to exercise their religious beliefs and practices.

To support this endeavour and to assist you with your planning efforts, the list of major holy days is available online at:
