Trustee Character Award

The awards for character will be presented by trustees to students, staff and community members of Lakehead Public Schools.

Trustees will present the Trustee Character Award at Regular Board or Standing Committee Meetings.

The Trustee Character Award supports and enhances Lakehead Public Schools community character development. This award provides an opportunity to raise awareness and promote character attributes that: contribute to safe and healthy school environments; promote positive interpersonal relationships; promote higher academic achievement; increase awareness of diversity, show responsible citizenship; model positive behaviour; and enhance employability and life skills.

This award will recognize individuals or groups of Lakehead Public Schools students, staff, or community members that exemplify the Growing Character Together mandate of: lead by example; talk about the core values; and celebrate good character qualities. This award is given in recognition of the honourees' contributions within the Lakehead Public Schools community. The honourees will best reflect the Lakehead Public Schools Values: Inclusion, Respect, Integrity, Empathy, and Responsibility.

Submission of Honourees

The Lakehead Public Schools communities will be advised of this process on a semi-annual basis and will be invited to submit candidates for potential recognition to Michelle Tavares in the Office of the Director, who can be reached at 625-5213, by fax at 622-0961, or by email at michelle_tavares@Lakeheadschoools.ca.
