2023

Trustee Recognition Award

The awards for students and staff achievement will be presented by trustees in recognition of outstanding achievements, effort and excellence of students and staff of Lakehead Public Schools.

Trustees will present the Trustee Recognition Award at Regular Board or Standing Committee.

Honourees will have won or achieved personal levels of excellence in local, regional, provincial, national or international pursuits, such as: Mathematics Olympics, science fairs, music festivals, drama/dance festivals, debating/public speaking, coaching, etc. Students and staff who perform outstanding community service are also eligible. Other categories may be included, and trustees will consider students and staff who achieve excellence in school-based athletics and activities.

Submission of Honourees

Schools will be advised of this process on a semi-annual basis, and can submit candidates for potential recognition to Michelle Tavares in the Office of the Director, who can be reached at 625-5213, by fax at 622-0961, or by email at michelle_tavares@Lakeheadschoos.ca.

Recipients will be approved by the Coordinating Committee.

All candidates **whose names are submitted** to trustees and who have received a regional, provincial, national or international award in the area of academics, will be automatically recognized.

This trustee recognition program will encompass a wide range of disciplines, but the common factor is the high level of achievement attained by students and staff.

Committed to the success of every student
