

BUSINESS AND BOARD ADMINISTRATION	3000
TRANSPORTATION POLICY	3040

1. Rationale

The Education Act allows a board to provide transportation for students under certain conditions. Lakehead District School Board (LDSB) supports an active and healthy lifestyle, and encourages active transportation; however, due to the diversity of the urban and rural area and the diversity of programs offered from Junior Kindergarten to Grade 12, a comprehensive transportation policy and set of procedures is necessary.

2. The Policy

It is the policy of LDSB that students may be transported for education reasons at the Board's expense between home and zoned school, and on other occasions, according to the guidelines in Section 4.

3. Definitions

3.1 Eligible Student will be a resident in the district of LDSB who is registered in, and attending a school operated by, or under, the jurisdiction of LDSB.

3.2 Consortium will mean Student Transportation Services of Thunder Bay, an administrative consortium to deliver efficiency and cost-effective student transportation service for the Board.

4. Guidelines

4.1 Pursuant to the Education Act, R.S.O. 1990, LDSB may provide transportation to its students.

4.2 Lakehead District School Board will provide transportation, without charge, to students whenever such transportation is warranted, in accordance with the guidelines outlined in this policy and related procedures.

4.3 Lakehead District School Board considers transportation a privilege and not a right. Conduct detrimental to the safe operation of the bus or to other students riding on the bus will not be allowed.

4.4 Transportation will be organized and delivered by the Student Transportation Services of Thunder Bay Consortium on behalf of its three member school boards: Lakehead District School Board, Thunder Bay Catholic District School Board, and Conseil scolaire de district catholique des Aurores boréales.

4.5 All routes and designated stops will be established by the consortium on the basis of safety, time, efficiency, loading, and economy.
