E-Learning Opt-Out

Students are now required to earn two eLearning credits to graduate from secondary school. Such courses are delivered through an online platform and do not require students to be physically present with one another or with their teacher in school. Parents/Guardians may choose to opt their child out of the mandatory eLearning courses. Students whose parent/guardian have completed this opt-out form will not be required to complete the two eLearning credits.

Providing consent for your child to opt-out of eLearning does not restrict or disqualify your child from completing two eLearning credits to graduate at a future date if they desire.

A copy of this opt-out form will be included in the student's OSR (Ontario Student Record), if you are electing to have your child opt-out.

- By checking this box, I confirm that I understand the following statements and choose to have my child opt out of the eLearning graduation requirement:

- Upon receipt of this form by the school, my child will not be required to earn two eLearning credits to earn an Ontario Secondary School Diploma.
- My child will face no academic penalties for opting out of this graduation requirement.
- My child will continue to complete all other applicable graduation requirements. - This will be recorded on my child's transcript as "Online Learning Graduation Requirement – Non-Applicable".
