If submitting an application for the IB Programme, students must select all the IB Prep compulsory courses in grade 9.

Additional Courses

Each student in Grade 9 is required to select 4 additional courses from the list below. By the end of Grade 10, students will need to complete both a Health and Physical Education credit and a Technology credit. Students may still select both these options in Grade 9.

* IB students are encouraged to make Health and Physical Education (PPL101) their first elective, as this course helps them meet the overall requirements of the IB Programme.

Please rank your elective course requests on the line beside the course name.

1 = First Choice

2 = Second Choice

3 = Third Choice

4 = Fourth Choice

Your fourth choice will only be used should your timetable not accommodate your first three choices.

Navigating Grade 9 Pathways

Grades 9 and 10 are the time when students are learning about themselves as learners and the possible pathways they may take. For this reason, Ontario schools no longer require students to pick their academic pathway in Grade 9. This means that students no longer choose between Academic and Applied in Grade 9, providing all students with the opportunity to explore a variety of subjects and discover their interests.

For the 2024-25 school year, all grade 9 classes, except French, will be Open or De-streamed. These classes focus on foundational skills and support students in determining their pathways. As part of the requirements to graduate, Ontario students are required to take one credit in technology and one in physical education. At Lakehead Public Schools, students may choose, starting in the 2024-25 school year, to take these compulsory credits in either Grade 9 or 10. Students have the option to enroll in both courses during Grade 9 or defer one to Grade 10, providing the opportunity to pursue other interests, such as Art, Music, Drama, or Business. These changes are reflected in this form.

* This change does not apply to students who are registered in specialized programs such as PWP, multi-needs/special needs, or students planning on taking locally developed compulsory courses. If these courses are the best fit for students in your home, please communicate with the school to ensure we are best meeting the needs of your child.

Transportation

When attending high school most requests for transportation will be accommodated. There will be cases when a student's request cannot be granted due to distance, time, scheduling and school hours. Requests will be considered within existing Board resources and scheduling. Please contact Dave Covello (dcovello@lakeheadschoools.ca) if you have questions.
