# GRADE 9 COURSE SELECTION

In Grade 9, students will have eight (8) courses scheduled on their timetable. This includes the five (5) compulsory credits listed below, as well as 3 additional courses.

### Navigating Grade 9 Pathways

Grades 9 and 10 are the time when students are learning about themselves as learners and the possible pathways they may take. For this reason, Ontario schools no longer require students to pick their academic pathway in Grade 9. This means that students no longer choose between Academic and Applied in Grade 9, providing all students with the opportunity to explore a variety of subjects and discover their interests.

You and your parent(s) will need to decide if you wish to take French or FNMI Language: Ojibwe as your final compulsory course.

### Compulsory Courses

### Additional Courses:

Each student in Grade 9 is required to select 4 additional courses from the list below. By the end of Grade 10, students will need to complete both a Health and Physical Education credit and a Technology credit. Students may still select both these options in Grade 9.

**Please rank your elective course requests on the line beside the course name.**

**1 = First Choice**

**2 = Second Choice**

**3 = Third Choice**

**4 = Fourth Choice**

*Your fourth choice will only be used should your timetable not accommodate your first three choices.*
