Here are three things you can do right now to support autism advocacy...

<<

>>

1. Complete Our 2025 Community Survey

Speak Your Truth. Take Back Our Power.

The Ontario Autism Coalition is launching a bold, community-led survey to expose the truth about the Ontario Autism Program (OAP), not the government's version, but ours.

For too long, decisions have been made about us without us. **Now, it's time to reclaim our power.** This survey is a tool for self-advocates, parents, and caregivers to speak out about the real experiences of those waiting for, accessing, and graduating from the OAP: the waitlists, the gaps, the daily realities that no spreadsheet can capture.

Your voice matters. Every response builds collective power. Every story contributes to a clearer picture of what's really happening and what must change.

Who should complete this survey? Anyone directly impacted by the OAP, including self-advocates, parents, and caregivers. You can fill it out for each individual in your family who is, was, or will be part of the OAP.

Your privacy is protected. No identifying information is collected, and all results will be shared only in aggregate form through infographics, advocacy tools, and a community-driven final report.

Time commitment: About 15–20 minutes; an investment in building something bigger than ourselves.

This is our moment. Our data. Our truth. Our power.

[Click here to complete the survey. Share it widely. Be part of the movement.](#)

The survey password is "OAC20" (without the quotes).

2. Nominate someone you think deserves an OAC Volunteer Award – Nominations Are Now Open!

This year marks 20 incredible years of the Ontario Autism Coalition, and we want to celebrate BIG!

To commemorate this milestone, we're hosting a Virtual Award Ceremony to recognize the amazing individuals who uplift, advocate, and inspire within the autism community.

Do you know someone who has made a difference? Now's your chance to nominate them!

\$50 would help to pay for an award, and for sending it to the recipient, but any amount you can afford will help.

You can donate by credit card on our website, securely processed by Square:

or send an Interac e-transfer to:

The Evolution of Inclusion

In this session, we will look at how the goals of inclusion have continued to shift and evolve, as we learn more about diversity and identity. Participants will reflect on their own contexts and consider next steps for advocacy and action.

Open to families, community partners, and educators.
