2025-2029 Education Strategic Plan

Belong

We provide educational environments where everyone belongs.

- Advance equitable opportunities and support for students and staff facing systemic barriers.
- Cultivate safe learning and work environments where everyone feels seen, valued, and connected.
- Provide clear and consistent communication channels for students, staff, families, and community partners.
- Support the mental health, resilience, and well-being of students and staff.

Succeed

We hold high expectations for all learners.

- Recognize the potential and needs of all learners by providing them with the supports to succeed.
- Develop transferable skills such as critical thinking and citizenship to prepare students for future success in a changing world.
- Build digital literacy and guide safe online behaviour for students.
- Provide experiential, land-based, and authentic learning opportunities for students.
- Deliver meaningful professional development that aligns with school and learner needs.
- Provide opportunities for students to play an active role in their educational experience and school life.

Reconcile

We commit to a spirit and journey of reconciliation.

- Support and sustain partnerships with Indigenous Elders, Knowledge Carriers, and Indigenous communities.
- Weave Indigenous perspectives and practices into teaching and learning for all students and staff, guided by the Indigenous Education Framework and the Truth and Reconciliation Commission Calls to Action.
- Grow dedicated and welcoming spaces for Indigenous cultural practices.
- Provide land-based and experiential learning opportunities to connect students with the natural environment.
- Deliver professional development for staff in culturally safe and responsive pedagogy.

Lakehead Public Schools commits to the adoption of an Indigenous Education Framework that fully commits to the spirit of Royal Commission on Aboriginal Peoples and the Truth and Reconciliation Commission of Canada, which seeks to:

- empower acts of reconciliation throughout all spheres of Canadian society,
- address the ongoing impact of colonialism on Indigenous Communities,
- engage the oppression and marginalization of Indigenous communities in Canadian society, and;
- provide culturally competent pedagogies in all aspects of education in Canada.

This Framework prioritizes the incorporation of Indigenous education throughout Lakehead Public Schools and is embodied throughout all facets of the Strategic Plan. It commits to a spirit of reconciliation, a journey requiring constant focus, energy, and commitment to collectivity and inclusion while confronting the historical and present marginalization of Indigenous peoples.

Lakehead Public Schools therefore believes that for reconciliation to be possible, Indigenous and non-Indigenous relationships must be guided by the following principles:

Relevancy

Education must be relevant and support students in building a healthy mental, physical, emotional and spiritual well-being, and prepare them to work, live, and help build Indigenous and Canadian societies. This means that Indigenous success means the success of every learner.

Respect

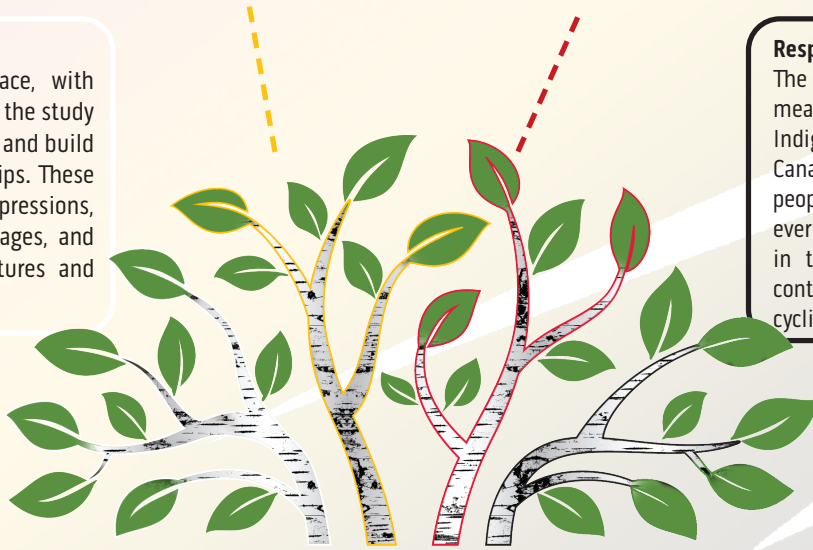

Respect is the key to learning, found through commitments to wisdom, love, bravery, honesty, humility, and truth. Due to longstanding misunderstandings, violence, and policies and practices in Canadian society, values of patience, listening, and generosity must guide Indigenous and non-Indigenous relationships as well as connections with the earth, water, and sky.

Relationality

The world is a relational place, with Indigenous knowledge based in the study of how living beings share gifts and build positive, sustainable relationships. These are best understood in the expressions, ceremonies, pedagogies, languages, and stories within Indigenous cultures and communities.

Responsibility

The creation of healthy and meaningful relationships between Indigenous communities and Canadians is a responsibility of all peoples. In essence, everyone and everything has a role and place in this world and are important, contributing members to a full and cyclical universe.
