## **NEW! Learning Program for Young Parents** *In partnership with the Lakehead District School Board and TBDSSAB*

A supportive learning opportunity designed for young parents to succeed—academically and personally.

### **Program Features**

- Earn high school credits in a small, inclusive, and supportive setting
- Flexible learning options with online and in-person instruction
- Specialized parenting programs and supports
- Learning opportunities with community partners focused on parenting, nutrition, and healthy lifestyles
- Licensed on-site childcare in a nurturing and safe environment
- Lunch and nutritious snacks provided
- Transportation available to TBDSSAB (231 South May St.) for in person programming
- Strong connections to local community programs and services

### **Academic Benefits**

- Earn Ontario Secondary School Diploma credits
- Learn at your own pace with dedicated teacher support
- Flexible timetable to balance school, parenting, and life
- Children and infants are welcome at in-person learning sessions and dedicated child care providers will be available to assist
- Access to school resources and wrap around community supports

### **Community Partners**

- Ontario Works
- EarlyON Child and Family Programs
- Thunder Bay District Social Services Administration Board (TBDSSAB)
- Thunder Bay District Health Unit

**Open to young parents (including pregnant teens) that have a child between the ages of infant to 4 years old.**
